End of Term Party - Parking - Holiday Training Camp - PLOUF - Teamwork

End of Term Party

Our Cygnus end of term party will be held on **Sunday, December 16th from 6-8pm** at Centennial Pool. Divers from all levels, along with their siblings, parents (and even grandparents!) are invited to join us for a demonstration of what our divers have worked on this term. Divers will have time to show off what they've learned in the pool, followed by hot chocolate and cookies in the upstairs classroom.

RSVP by December 14th, and be sure to include TOTAL NUMBER of family members that will be attending so that we can adequately prepare.

We are requesting that each family attending bring 1-2 dozen cookies or holiday treats to share at the party.

The Club will take care of beverages.

Parking

Please check your emails for updates regarding parking rotations. This is an opportunity to help with important fundraising for Cygnus, as well as getting a credit towards your next term of diving fees in exchange for your participation. If you have questions regarding volunteer parking, please message Chris Marshall (Dad to Nicholas Marshall) at parking@CygnusDiving.ca

PLOUF

PLOUF instructors are busy assessing divers and preparing end of term reports as there are only 2 classes left in 2018!. Reports will be given to divers at the last class (for Sunday PLOUF: December 9th, for Monday PLOUF: December 10th).

We will be confirming our PLOUF class schedule for January and will communicate this to you as soon as possible. We expect to have at least two PLOUF classes (a combination of PLOUF Levels 1 and 2), as well as a new night available.

Holiday Training Camp

There will be a holiday training camp for divers in Development I, Development II, and Competitive. Training camp will run on December 27, 28, 29, 30, from 9am to noon. Cost to participate will be \$15/day. Training camps will only be run if a number of divers are confirmed to attend. **To confirm attendance, please send an email to info@cygnusdiving.ca by December 1st.**

Teamwork

We think it's great that our divers share the boards and platforms at the pool. We've recently noticed many of our experienced divers interacting with younger or newer divers to offer advice, or words of encouragement when they're trying something new. Well done, team!
